Purpose and Goals

Overcome Fear  
and Obstacles

Take Massive  
Forward Action

- Coaching services include:
- ✓ 30 minute free intro session
  - ✓ Short & long term goal clarity
  - ✓ Co-created massive action plan
  - ✓ Email & text accountability reminders
  - ✓ Unlimited email access
  - ✓ Personalized "FREEDOM" assessment

## Who I help?

While I have experience supporting a wide-range of ambitious people, specifically, my coaching services are best equipped to help:

- Professionals advance into expanded leadership and management roles
- New entrepreneurs grow revenue from \$0 to \$10,000
- Adults accumulate a 3-6 month emergency fund, reduce personal debt and start investing

If you identify with either of these and are ready to take action, [let's connect \(see below\)](#).

## Why me?

Let's be honest, there are thousands of coaches available these days. It's important to find a coach who's the best fit for your individual needs. My distinct upbringing, values, education and life experiences allow me to provide a uniquely valuable perspective for individuals looking to take the next major step in their journey.

Below is glimpse into my background:

- ❖ Trained coach accredited by the Internal Coaching Federation (ICF)
- ❖ 13+ year professional career with 7+ years leading teams
- ❖ 10+ years as a 5-figure part-time business owner
- ❖ Bachelor of Science in Business Management from Canisius College
- ❖ MBA in Finance and Marketing from the University at Buffalo (SUNY)
- ❖ Married for over 10 years with two children
